pre-litigation strategy

In Vietnam, the realities of trial litigation can be time consuming and discouraging. Our pre-litigation strategy begins by listening carefully to the client's business objective and analyzing the client's litigation options and risk...

[+]

soft alternatives

ACTIP Litigation Teams litigate through the Court only when alternatives, such as mediation, arbitration, negotiation, and licensing have been proposed and rejected. We actively seek creative "soft alternatives" to avoid litigation...

[+]

active resolution

When courtroom litigation or an administrative raid is unavoidable, ACTIP's entire Litigation Team is available to our clients. All of our considerable resources in experience, association, reputation, legal and technical expertise...
