Contributing Comments and Counsel on IP Legislation

https://actip.com.vn/contributing-c15.html

Vietnam’s body of Intellectual Property Law is in a developing stage. ACTIP Corporation contributes to the nation’s current Intellectual Property legislation by offering cutting-edge legal and technological expertise towards the creation of practical Intellectual Property guidelines. With our experience in Intellectual Property litigation and enforcement, our attorneys and litigators help Vietnamese authorities in their fight against counterfeit goods. In this way ACTIP’s attorneys and professional staff build and maintain their comprehensive understanding of Vietnam’s current Intellectual Property rights and protections. ACTIP Corporation is honored to participate in building Vietnam’s Intellectual Property system.
