ACTIP Corporation

our services

https://actip.com.vn/our-services-c33.html

We represent clients before government authorities and the Patent & Trademark Office in all phases of litigation, from complex enforcement and appeals, to trademark and patent disputes. ACTIP's services include:

- reparing and prosecuting appeals, opposition, and cancellations proceedings in Court and at the Patent & Trademark Office;
- providing opinions on infringement, validity, enforceability and damages;
- counseling on litigation and settlement strategy;
- conducting extensive pre-litigation research;
- conducting preliminary and comprehensive investigations;
- conducting and participating in settlement negotiations;
- drafting and sending cease-and-desist letters;
- providing a mass-media warning against the infringement;
- obtaining Court injunctions and Customs directives to block counterfeit goods;
- assisting with administrative actions to seize counterfeit goods;
- conducting intellectual property litigation in civil and criminal proceedings.
